

AFTER-INFUSION REMINDER LIST

Watch out for any possible side effects. If you think you're experiencing one, tell your care team right away

Be sure to schedule your next infusion

Write down anything additional you would bring with you to make your next infusion appointment more pleasant

Let your Patient Access Liaison (PAL) know how your infusion went*

Treat yourself!

*If you haven't connected with a Patient Access Liaison (PAL) yet, call 877-633-9521 Monday-Friday, 8 AM-8 PM ET.
